

Renew

Joshua 23-24

Three truths about moving forward:

1. You must throw away your sins of the past
2. There will be days when serving the Lord seems undesirable.
3. You will serve somebody
 - a. Joshua 24:14-15
 - b. You have to serve something/someone...what will you choose
 - c. Sometimes we just want to sit on the fence, but remember, Satan owns the fence!

Don't forget the past of God's faithfulness.

When we fail to remember:

1. We don't have strength to draw on when serving God seems undesirable.
2. We risk falling into a renew-relapse cycle.
 - Don't forget how far God has taken you.
3. We will fail to pass on God's goodness to the next generation.
